SRI D DEVARAJ URS (Chief Minister)

(a) & (b) Representation was received from the APMC regarding the need for opening a Police Out-Post in the Market Yard. The proposal is under examination. A proposal for the Re-organisation of the Bijapur Police Force which includes additional Police Stations covering the Jorapur Street area and Bagalkot Road Area, among others, is also under examination.

(c) & (d) The question of re-organisation of the Bijapur District Police Force will be examined in consultation with the Inspector General of Police and strength will be increased if necessary.

SRI S. H. S. BAKSHI.—In answer to (a) and (b), it is stated that the matter is under examination. Will the Hon'ble Chief Minister be pleased to state the time by which the additional Police Stations will be established in Jorapur Street Area and APMC Yard Area so that the public are satisfied?

† SRI D. DEVARAJ URS.—We shall try to do this, this year.

SRI S. H. S. BAKSHI.—As the population of Bijapur City is nearly 2 lakhs, will the Government think of increasing the police force?

SRI D. DEVARAJ URS.— For the first question, I have already stated that we shall try to do it this year. About the question of reorganising the Police force, we have taken up district by district, and Bijapur will also be taken up.

SRI S. H. S. BAKSHI.— It is stated that the question will be examined in consultation with the Inspector General of Police. May I know when it will be considered?

SRI D. DEVARAJ URS.—Out of 19 districts, 5 districts are left over—I am sorry Bijapur is one among those 5. In all the other districts reorganisation of police force has taken place. Reorganisation necessarily involves more expenditure. For Bangalore City itself, the reorganisation of police force meant more than Rs. 2 crores. We are taking up reorganisation in phases Likewise, Bijapur will also be taken up in phases. I cannot provide money for reorganisation of the whole force all over the State. It is not going to take 10 years; it may take one or two years.
